Part III EXAMINER'S AMENDMENT

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

The application has been amended as follows: In claim 26, line 1, "15" was changed to "25".

Authorization for this Examiner's Amendment was given in a telephone interview with Mr. H. Duane Switzer (reg. no. 22,431) on May 16, 2001

The following is an Examiner's Statement of Reasons for Allowance: The present invention of a tubular conduit and coupling is deemed to be an unobvious improvement over the prior art of record. The improvement includes fabricating the tubular conduit with a curved transition region between a conduit inner surface and a first coupler inner surface such that a second coupler end portions outer surface is sized for close reception within the first coupler end portion. The first coupler end portion includes a locking circumferential groove and then a sealing circumferential groove adjacent the transition region. The second coupler end also has a locking strap groove such that first and second such conduits could be connected together with the second end portion of one conduit inserted within the first end portion of the other conduit such that the locking groove on the outer

surface of the second end of the one conduit is aligned with the inner surface locking groove of the other conduit.

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Eric Nicholson whose telephone number is (703) 308-0829. The examiner can normally be reached on Tuesdays thru Fridays from 7:30 to 6:00 .
